**Home Health Care  
GUIDELINES**

Medicare **WILL NOT** cover outpatient physical therapy if a patient is currently receiving home health care services *OR BEGINS* to receive home health during their period of active treatment. If you have received **ANY TYPE** of home health care services **IN THE PAST 6 MONTHS**, you must have received a full discharge from the agency that provided these services to you *PRIOR TO* starting treatment with Back On Track Physical Therapy.

Have you received home health care services in the past 6 months?

Yes \_\_\_\_\_ No \_\_\_\_\_

Are you currently receiving home health care services of any kind?

Yes \_\_\_\_\_ No \_\_\_\_\_

(This includes a physical therapist, occupational therapist, speech therapist, social worker, nurse, nurse assistant, nurses' aid, housekeeper, etc.)

If you answered YES to either question above, you may **not** begin treatment at Back On Track until you are fully discharged from home health care services AND can provide us a document stating that you have been fully discharged.

I attest that the information I have provided is accurate. I understand that if the information I provided is not correct and leads to non-payment of services provided by Back On Track, I am responsible for all charges incurred.

I also understand that it is my responsibility to notify Back On Track if I begin receiving home health care services during my period of active treatment.
